

Food supplement with vitamins, minerals, plant extracts, phosphatidylcholine, apigenin, inositol, taurine and trimethylglycine.
DIRECTIONS: Take eight (8) tablets daily in divided doses with meals, or as recommended by a healthcare practitioner.
CAUTION: Temporary flushing, itching, rash, or gastric disturbances may occur. Liver function testing is recommended when niacin is taken in excess of 500 mg daily. Those with gout or liver diseases should avoid taking high doses of niacin. Consult with your doctor before using this product if you are taking anticoagulant medications. Individuals consuming more than 2,000 IU (50 µg) per day of vitamin D (from diet and supplements) should periodically obtain a serum 25-hydroxy vitamin D measurement. Vitamin D supplementation is not recommended for individuals with high blood calcium levels. Individuals with in-born errors of copper metabolism (e.g. Wilson's disease) should avoid daily, chronic use of this product.

**LIFE
EXTENSION®**

WARNINGS:

- Keep out of reach of children.
- Do not exceed recommended daily dose.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.

A food supplement should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Store tightly closed in a cool, dry place.

Manufactured for: Quality Supplements and Vitamins, Inc.
 Ft. Lauderdale, FL 33309, USA.

Imported by: Life Extension Europe B.V.
 Frankfurtstraat 34-36, 1175 RH Lijnden, Netherlands.

* Vitamins B1, B2, B6, B12 contribute to normal energy yielding metabolism. Selenium and zinc contribute to the normal function of the immune system.
